

## Environmental Policy Statement

M.AL-BARGHASH CO. Environmental policy is to reduce the impact of the firm's operations on the environment, through various business and operational initiatives. The goal is to promote sustainability and environmental awareness at all levels of the firm by:

- ❖ Complying with all applicable environmental legislation and sustainability commitments.
- ❖ Measuring and analyzing the various environmental impacts of our business activities in conjunction with governmental and non-governmental standards that are applicable to the organization.
- ❖ Preventing pollution and reducing consumption of resources through effective monitoring of resource consumption and waste management.
- ❖ Incorporating energy efficiency measures into the firm's facilities and promoting efficient energy use in all areas of business activity.
- ❖ Adopt a procurement program which considers the environmental impact of products and services and by supporting the purchase of energy-efficient products.
- ❖ Ensure our staff are aware of the environmental impacts of their work activities and encourage them through regular awareness and training to minimize those impacts.
- ❖ Promoting the protection and enhancement of biodiversity and ecosystems through employee awareness programs.
- ❖ Pursuing a program of continual improvements by reviewing our Environmental Management System and related objectives and targets, policies, and practices in an annual basis.
