

## QUALITY POLICY STATEMENT

Mohammed Al-Barghash Al-Mansouri & Sons Trading and Contracting Company (MBTC) specializes in Engineering, Procurement, Fabrication, Construction, Installation, Pre-Commissioning, commissioning & maintenance of facilities to the oil & gas and related industries and therefore places particular emphasis upon experience, expertise, capability, reliability and quality and focuses on the needs of our clients and provides total assurance and complete satisfaction to our clients.

- ❖ In order to meet Clients, Statutory, Regulatory requirements and expectations, all company activities are controlled in line with the Quality Management System in accordance with ISO 9001: 2015. Top Management of MBTC is fully committed to this Quality Policy and ensures that the Quality System is properly prepared, documented, recorded, audited and reported.
- ❖ We pay special attention to technical, statutory and regulatory requirements and modern methods for project planning and control by employing high caliber personnel.
- ❖ By emphasizing standard processes, MBTC limit risk from internal and external sources. Standardization minimizes errors in all aspects of our business and reduces our liability. Management systems also foresee risks and build in processes to address those problems before they arise.
- ❖ Quality Objectives are established at relevant functions, levels and processes throughout the organization to support our Quality Policy and to ensure that our works are right at the first time, on schedule and within the budget. Our performance on these objectives are measured and analyzed along with this Quality Policy to enable us to continually improve our services.

Our quality policies, quality plans, quality objectives and performance are communicated throughout the organization so that everyone is aware of their respective responsibilities and contribution to Quality and Client satisfaction. This quality policy will be reviewed annually by the top management and where deemed necessary will be amended and re-issued.
